Sponsor's Message:

The Outlaws Wrestling Club has been organized to provide the youth of our community an alternative competitive and recreational activity. Wrestling is one of the most physically and mentally demanding sport an athlete can compete in. It is a total body sport requiring athletes to use flexibility, strength, explosiveness, agility, balance, and a level of conditioning that rivals any other endurance sport. Wrestlers during the course of their training and competition must draw on their mental toughness to push through fatigue, discomfort and often have to will themself to win. As Olympic gold medalist and legendary Iowa coach Dan Gable said "Once you have wrestled everything else is easy".

I would very much appreciate your sponsoring me in the Outlaws Wrestling Club activities. I will be participating in an intensive training program, including conditioning, speed and learning wrestling techniques to prepare me for dual meets and tournaments all which will improve my individual skills and enhance my ability as a team and community member.

All paid sponsors will be sent a thank you note/receipt. All sponsor names, addresses, and contributions are kept in strict confidence unless otherwise specified below. Remember, your contribution may be tax deductible as provided by law. Outlaws Wrestling Club Tax ID # (Filing of 501(c)(3) tax exempt status in process
